CREDIT FEES AND CHARGES

All credit fees and charges (including default charges) that you might need to pay us under the Loan Documents (which are not part of the LOAN AMOUNT on page 2 of these Loan Details) are listed in the attached FEE SCHEDULE. If you do not pay an amount when it is due, we will also charge you interest on the amount due at the Default Interest Rate, which is 2 per cent per annum above the Annual Interest Rate. We give you information about the default interest charges in clause 18 of the Conditions. You should be aware that in some cases we can change the credit fees and charges you might have to pay and the Default Interest Rate under clause 3 of the Conditions.

FULL PREPAYMENT

You can pay the Loan back early by paying us the amount set out in clause 10.1 of the Conditions. This amount includes an Administration Charge and, if a Fixed Period applies to the Loan at that time, any Break Costs. Break Costs are a reasonable estimate of the loss of future interest income, if any, we incur as a result of you paying the Loan back early during a Fixed Period (where we are only able to reinvest that money at a lower interest rate). The Break Costs you need to pay (if any) will be calculated using the formula set out in regulation 9 or regulation 11 of the Credit Contract and Consumer Finance Regulations 2004.

YOUR RIGHT TO CANCEL

You can cancel the Loan Documents by sending a written cancellation notice to us or an employee (in any of the ways listed on page 2 of these Loan Details) within 5 business days of being handed a signed copy of this Agreement; or within 7 business days of receipt if the signed Loan Documents are emailed or sent to you electronically; or within 9 business days of the date the signed Loan Documents were posted to you (if applicable). Saturdays, Sundays and national public holidays are not counted as business days. **If you cancel the Loan Documents, you must immediately repay the Loan and any interest accrued for the period starting on the day you get the Loan until the day you repay us in full (if relevant). You must also reimburse us for any reasonable expenses we have to pay in connection with the Loan Documents and their cancellation, including legal fees and credit report fees.** *This statement is only a summary of your cancellation rights and obligations. If you want more information, or if you think that we are being unreasonable in any way, you should seek legal advice immediately.*

WHAT CAN YOU DO IF YOU SUFFER UNFORSEEN HARDSHIP?

If you are unable reasonably to keep up your payments because of illness, injury, loss of employment, the end of a relationship, or other reasonable cause, you may be able to ask us to vary the terms of the Loan Documents (we call this a **Hardship Variation**). To apply for a Hardship Variation, you need to:

- (a) make an application in writing; and
- (b) explain your reasons for the Hardship Variation; and
- (c) request one of the following:
 - an extension of the Loan Term - this means we would reduce the Payment Amount due on each new Payment Date and increase the number of Payment Dates; or
 - a postponement of certain Payment Dates; or
 - both of the above - that is, postpone some payments and pay smaller amounts over a longer time period; and
- (d) give the application to us - feel free to phone us to discuss on 0800 85 3030 but we will ask you to follow up in writing in any of the ways listed on page 1 of these Loan Details.

Do this as soon as possible. If you delay for too long in making an application, or do not meet the Hardship Variation criteria, we may not have to consider your request. If we agree to your request, we may ask you to enter into a new agreement or we may change the amounts and dates in the SCHEDULE OF PAYMENTS on page 2 to help you meet your obligations. Please note that you will have to pay a Refinance Fee (as set out in the attached FEE SCHEDULE).

WHAT COULD HAPPEN IF YOU FAIL TO MEET YOUR COMMITMENTS?

If you fail to meet your commitments under the Loan Documents, there will be an Event of Default. This means all Amounts Owing will be due immediately. We may be able to sell the Property and use the sale proceeds to repay the Amounts Owing.

- **Nature of the Mortgage:** Unless we agree otherwise in writing, our Mortgage must be a first-ranking exclusive registered mortgage over the Property. We must be the only person with a mortgage over the Property and you cannot grant security over the Property to anyone else without our consent.
- **Extent of Mortgage:** The Mortgage secures the due payment of all Amounts Owing (together with all other amounts you may owe us at any time), and the performance of all of your obligations to us, under the Loan Documents. If we exercise our rights under the Mortgage and the proceeds of sale of the Property are insufficient to repay the Loan and any other Amounts Owing, you will still be liable to pay us the remaining amounts.
- **What happens if you give someone else a security interest in the Property?** If you give a mortgage or other security interest over the Property to anyone else without our prior written consent, you will be in breach of the Loan Documents and this will be an Event of Default under clause 24 of the Conditions. If that happens, all amounts you owe us under the Loan Documents will be due immediately and we can enforce our rights under the Mortgage (which could include selling the Property).

ELECTRONIC COMMUNICATION

By signing the Loan Documents, you agree that we can send you notices and other communications relating to the Loan Documents electronically, including by email or (if we choose to) by other electronic means such as an online portal. This includes any continuing disclosure that we have to make to you under the Credit Contracts and Consumer Finance Act 2003.
