Notice Saver

Early withdrawal fees may apply

Customers must provide 32 or 90 days' notice for every withdrawal, depending on the account type. Heartland may agree to a withdrawal without the required notice for reasons such as financial hardship, but is not required to do so. If Heartland does agree to a request for early withdrawal from a Notice Saver account, an Early Withdrawal Fee will be payable on the total funds withdrawn, subject to a minimum fee of \$12.00.

Term Deposit

No fees

A Term Deposit is a fixed term investment, and while you do not have a right to withdraw your investment before maturity, we understand that people's circumstances do change. Heartland Bank will consider, but is not obliged to accept, written requests for early repayment in certain circumstances such as (and without limitation) the death of an investor or unforeseen financial hardship. If Heartland Bank agrees to make an early repayment the interest rate payable in respect of the deposit may be reduced by up to 3% per annum (calculated across the term of the investment). Any tax that has already been paid on interest earned cannot be refunded back to you and tax must be claimed from the IRD directly.

For staff-assisted withdrawals, a \$10 fee will apply. There is no fee for any digital self-service withdrawal.
