INTEREST AND FEES

Interest charges are calculated daily by multiplying the Principal Amount Owing at the end of each day by the daily interest rate, which is the Annual Interest Rate divided by 365. There is no interest-free period.

Interest is charged on each Interest Charge Date and added to the Total Amount Owing. This means the interest charges are added to the Loan principal and we will charge interest on the total amount.

All fees that you might need to pay us under this Agreement are listed in the FEE SCHEDULE and are inclusive of GST.

We can change the interest rates, fees and other charges you might have to pay from time to time.

REPAYMENTS

We require you to make one payment of the Total Amount Owing to us when a Payment Event occurs. In limited circumstances, we may require you to pay us costs or other amounts that become due and payable prior to a Payment Event occurring.

If you do not pay an amount when it is due, we will also charge you interest at the Default Interest Rate. More information about default interest is in the General Terms.

You can make voluntary repayments at any time, including repayment in full. There are no fees or charges for voluntary repayments, however, there is a fee to discharge the Mortgage (once the Loan is repaid in full).

CREDIT LIMIT

The maximum amount you can borrow under the Loan at any time is the Initial Loan Balance plus the amount of the Cash Reserve Facility Limit (if any) plus the amount of all fees, charges, interest and other amounts charged to you under this Agreement, all of which form part of the amount you owe us.

INSURANCE AND MAINTENANCE

You must at all times:

- maintain the Security Property in good repair and condition;
- tell us before doing any structural alterations or renovations to the Security Property;
- keep the Security Property insured under a sum insured policy for the cost to reinstate the property;
- pay all outgoings on the property such as rates, body corporate levies, and the cost of maintaining the property.

PAYMENT EVENT

A Payment Event will occur when:

- the Security Property is sold;
- 12 months has passed since the death of the last Nominated Borrower;
- the last Nominated Borrower has left the Home, including by entering into Permanent Long-Term Care, and has remained absent for 12 months without our consent; or
- a Continuing Default has occurred and we declare all or any part of the Total Amount Owing to be due and payable under clause 7.4b of the General Terms.

STATEMENTS

Statements giving you information about your account will be provided every 6 months.

SECURITY UNDER THIS AGREEMENT

This Agreement is a type of secured loan known as a reverse equity mortgage. Security is given under the Mortgage in the Security Property.

If you fail to meet your commitments under this Agreement, we may be able to sell the Security Property. We can use the sale proceeds to pay back the total amount of the Loan and all other amounts owed to us. In addition, if the failure becomes a Continuing Default, we may be able to cancel the No Negative Equity Guarantee, the Loan Repayment Guarantee, the Lifetime Occupancy Guarantee or the Equity Protection Option (if applicable).

WHAT COULD HAPPEN IF YOU FAIL TO MEET YOUR COMMITMENTS?

There could be very serious consequences for you and (if different) the Nominated Borrowers if you do not meet your commitments under this Agreement and this becomes a Continuing Default under clause 7.4 of the General Terms.

Nature of the security interest: Unless we agree otherwise in writing, our security under this Agreement must be a first-ranking exclusive mortgage over the Security Property. That means we must be the only person with a security interest in the Security Property and there must not be any other security granted over it to anyone else.

Extent of security interest: The security under this Agreement secures the payment of all amounts you owe us, now and in the future, under this Agreement. However, the No Negative Equity Guarantee means that the amount required to repay your Loan will not exceed the Net Sale Proceeds of the Security Property. If you fail to meet your commitments under this Agreement, and this becomes a Continuing Default, we are not bound to honour the No Negative Equity Guarantee. If we do not honour the No Negative Equity Guarantee, and Net Sale Proceeds of the Security Property are insufficient to repay the Total Amount Owing, you will still be liable to pay us the remaining amounts.

We are not obliged to exercise our rights under our security if you fail to meet your commitments under this Agreement (and, if we choose not to do so, you will still be liable to pay us what you owe).

What happens if you give someone else a security interest in the Security Property? If you give security in the Security Property to anyone else without our prior written consent, you will be in breach of this Agreement and this will be an Event of Default under clause 7.1 of the General Terms. If the Event of Default is not remedied, it will become a Continuing Default. If that happens, we can give you notice declaring all or any part of the Total Amount Owing to be due and payable and we can enforce our rights under our security (which could include taking control of and selling the Security Property).

YOUR RIGHT TO CANCEL

You are entitled to cancel this Agreement by giving notice to us.

Time limits for cancellation: You must give notice that you intend to cancel this Agreement within 30 calendar days of being handed a completed copy of this Agreement. (The law provides for a shorter period of time than 30 calendar days, but we provide you with an extended right to cancel).

How to cancel: To cancel, you must give us written notice that you intend to cancel by: giving notice to us or our employee or agent; posting the notice to us or our agent; or emailing the notice to our email address. **You must also repay the Loan and any other amounts owing.**

What you may have to pay if you cancel: If you cancel this Agreement, we can charge you our then-current Valuation Fee. (The law allows creditors to charge other reasonable expenses on cancellation, but we only charge this fee). We can also charge you interest accrued for the period starting on the day you get the Loan until the day you repay us in full.

WHAT CAN YOU DO IF YOU SUFFER UNFORESEEN HARDSHIP?

If you are unable reasonably to make payments because of illness, injury, loss of employment, the end of a relationship, or other reasonable cause, you may be able to ask us to vary the terms of this Agreement. To apply for a hardship variation, you need to:

- (a) make an application in writing; and
- (b) explain your reasons for the application; and
- (c) request a postponement of payment; and
- (d) give the application to us.

Do this as soon as possible. If you leave it for too long, we may not have to consider your application.

GENERAL TERMS

1 Understanding and interpreting this Agreement

- This Agreement has three parts:
- these General Terms
 - the Commercial Terms, and any separate FEE SCHEDULE referred to in those terms
 - the Mortgage

Read each part carefully. Ask for help if there is anything you don't understand.

We use ordinary words where possible. But sometimes we have to use legal words or terms because there is no ordinary word with the same meaning. *To help you, we have added some explanations in italics.*

Also, some of the ordinary words we use have special meanings in this Agreement. We explain some legal and ordinary words, and set out the rules for interpreting this Agreement, in the **Dictionary** (at the end of these General Terms).

2 Getting your Loan

2.1 Your Loan: Your Loan will consist of:

- a all principal amounts that we pay you under this Agreement, including the Initial Advance and all Monthly Advances (if you chose the Monthly Advance Option);
- b all amounts advanced under the Cash Reserve Facility (if any);
- c all amounts advanced under the Redraw Facility; and
- d all accrued and unpaid interest and fees and charges payable under this Agreement.

2.2 Conditions Precedent: We will only pay you amounts under the Loan if we consider the following conditions are met or we agree to waive them:

- a this Agreement has been completed and submitted (and we have accepted it);
- b we are satisfied with the results of all title searches in respect of the Security Property;
- c we have received a valuation of the Security Property, acceptable to us;
- d the Mortgage has been registered;
- e we have received a copy of an insurance policy or certificate of currency in respect of the Security Property that notes our interest as mortgagee and is otherwise satisfactory to us;
- f no Event of Default or Payment Event has occurred; and
- g we have received all the other information and documents we have asked for, including for the purposes of Regulatory Compliance.

2.3 Payment of advances: We will pay you the Initial Advance once you have completed and submitted our payment instruction form. If you chose the Monthly Advance Option, we will pay you each Monthly Advance on each date falling on a monthly anniversary of the date of the Initial Advance (or such other date as we may agree) for the period specified in the Commercial Terms.

2.4 Cash Reserve Facility: Under the Cash Reserve Facility (if any), we may allow you to draw down additional funds, up to the Cash Reserve Facility Limit. You must complete and

submit our payment instruction form to request any amounts under the Cash Reserve Facility.

2.5 Availability of Cash Reserve Facility: The Cash Reserve Facility (if any) is available to you at our discretion and we may review your Cash Reserve Facility at any time. This means that we can approve or reject requests for drawn downs at our discretion and tell you at any time that the balance not already drawn is no longer available, or has been reduced. When we review your Cash Reserve Facility, you must give us any information we reasonably ask for.

2.6 Redraw Facility: Under the Redraw Facility, we may allow you to redraw any amounts that you have voluntarily paid under clause 3.2, but provided that you have not repaid the Loan in full. Each advance made under the Redraw Facility must not be for less than \$5,000 or such other amount as we determine from time to time. You must complete and submit our payment instruction form to request any amounts under the Redraw Facility.

2.7 Availability of Redraw Facility: The Redraw Facility, is available to you at our discretion. This means that we can approve or reject requests for advances at our discretion.

3 Paying us back

3.1 Mandatory payment in full: You promise to pay us back in full the Total Amount Owing when a Payment Event occurs, subject to the No Negative Equity Guarantee and Equity Protection Option. You also promise to pay us when due any costs or other amounts that become due and payable in accordance with this Agreement prior to the occurrence of a Payment Event (for instance, under clause 5.5).

3.2 Voluntary payments: You can also voluntarily pay back any amount at any time, including payment in full of the Total Amount Owing. Any repayment must not reduce the Total Amount Owing to below \$5,000, unless it is being repaid in full.

3.3 Payment Events: A Payment Event will occur when:

- a the Security Property is sold;
- b 12 months has passed since the death of the last Nominated Borrower;
- c the last Nominated Borrower has left the Home, including by entering into Permanent Long-Term Care, and has remained absent for 12 months without our consent; or
- d a Continuing Default has occurred and we declare all or any part of the Total Amount Owing to be due and payable under clause 7.4b.

3.4 Interest:

a How interest is calculated: We calculate interest on the Loan daily by multiplying:

- the Principal Amount Owing at the end of that day; by
- the **daily interest rate** which is calculated by dividing the Annual Interest Rate by 365, even in a leap year.

b How interest accrues: Interest accrues daily at the Annual Interest Rate on the Principal Amount Owing.

c When interest is charged: Accrued interest is charged to you in arrears on each Interest Charge Date.

- 3.5 **How you must pay us:** Each payment by you to us under this Agreement must be made by you to the account we advise to you. Each payment must be made free and clear of any restriction or condition, and without any deduction, set-off or withholding (unless required by Law).
- 3.6 **Order of payments:** Unless otherwise specified or required by Law, all amounts received or recovered by us under this Agreement will be applied as between principal, interest and other amounts in the manner and order determined by us, notwithstanding any purported application by you or any other person or entity, or any other matter or circumstance.
- 3.7 **When you must pay us:** If a due date for payment under this Agreement is not a Business Day, you must pay on the next Business Day (unless that next Business Day occurs in the following month, in which case you must pay on the previous Business Day). Any payment made by you after 3.00 pm on any date will be deemed to have been made on the next Business Day.
- 3.8 **If you do not pay us on time, we will charge you extra interest:** If you do not pay an amount when it is due under this Agreement, we will charge you interest at the Default Interest Rate on the amount which is due and unpaid while the payment default continues. However, we will not charge you default interest on any amount that has become payable early because of non-payment of another amount or because of an event that is not a payment default. The obligation to pay default interest will arise without the need for any notice or demand. Default interest accrues daily, both before and after judgment, for the period from the due date for payment until the actual date of payment. If it remains unpaid, the default interest will be added to the Principal Amount Owing on the last day of each calendar month and will itself bear interest under this Agreement. *(This means that unpaid default interest is added to the Loan, on which you pay interest, until you pay us.)*
- 4 **Our promises to you**
- 4.1 **Promises subject to Continuing Default:** Our promises to you in this clause 4 are subject to our rights under clause 7.4 if an Event of Default becomes a Continuing Default. *(This means that we may not have to honour these promises if a default is not rectified within the time period required under this Agreement.)*
- 4.2 **Loan Repayment Guarantee:** Unless and until a Payment Event occurs, you are not required to make any Loan repayments to us (although you may do so voluntarily at any time).
- 4.3 **Lifetime Occupancy Guarantee:** Each Nominated Borrower can reside in the Home for as long as they wish.
- 4.4 **Equity Protection Option:** If you chose the Equity Protection Option, the maximum amount that you will be required to pay us will be an amount calculated as follows, even if this amount is less than the Total Amount Owing:
 - the Net Sale Proceeds; minus
 - the Equity Protection Percentage,

- 4.5 **No Negative Equity Guarantee:** At the time the Security Property is sold, the maximum amount you will be required to pay us will be an amount calculated as follows, even if this amount is less than the Total Amount Owing:
 - the Net Sale Proceeds of the Security Property; minus
 - the Equity Protection Percentage (if you chose the Equity Protection Option).

5 Security

- 5.1 **Mortgage:** You give us security on the terms set out in the Mortgage.
- 5.2 **Your promises in relation to the Security Property:** Your promises in relation to the Security Property are set out in the Mortgage. These require you to, amongst other things:
 - maintain the Security Property in good repair and condition;
 - tell us before doing any structural alterations or renovations to the Security Property;
 - keep the Security Property insured under a sum insured policy for the cost to reinstate the property; and
 - pay all outgoings on the property such as rates, body corporate levies, and the cost of maintaining the property.
- 5.3 **Sale of the Security Property:** You have the right by Law to sell the Security Property and repay the Total Amount Owing in full at any time without our consent. You must, however, obtain our consent to sell the Security Property if the Net Sale Proceeds are likely to be less than the Total Amount Owing on the date of settlement. If you need to obtain our consent, we may require you to provide us with an up-to-date valuation for the Security Property (at your cost). **We recommend you tell us as soon as practicable if you intend to sell the Security Property.**
- 5.4 **Our right to remedy:** You agree that, if you fail to comply with any promise under this Agreement, then (in addition to any other rights we have, and without prejudice to our right to rely on that failure as an Event of Default) we may do whatever we think appropriate to remedy that failure or otherwise protect the security given under this Agreement. This includes making payments on your behalf (such as rates, body corporate levies, and insurance premiums), taking out an insurance policy for the Security Property, and carrying out repairs and maintenance on the Security Property.
- 5.5 **Our right to recover costs:** If we make any payments on your behalf or incur any costs under clause 5.4, these amounts will be charged to you and added to the Total Amount Owing. We can also declare these amounts to be due and payable by giving notice to you.
- 6 **Other promises**
- 6.1 **Information:** You promise to:
 - promptly give us any information about you or the Security Property that we reasonably request;
 - tell us as soon as practicable if you enter into an agreement to sell the Security Property;
 - tell us as soon as practicable if a Nominated Borrower dies;

- d tell us as soon as practicable if a Nominated Borrower enters into Permanent Long-Term Care or has been absent from the Home, whether or not with an intention to return, for 12 months without our consent;
 - e give us at least 14 days' prior notice of any change to a Borrower's name or contact details;
 - f provide us with any information or documents we may require from time to time for the purposes of Regulatory Compliance; and
 - g notify us of the occurrence of any Event of Default immediately upon becoming aware of it, giving full details of it and of any action taken (or to be taken) as a result.
- 6.2 **Annual questionnaire:** Each year you must answer a questionnaire we send you about your circumstances, living arrangements, insurance and any other matters we consider relevant. If you are unable or refuse to answer the questionnaire, or do not respond within the time period requested, we may:
- a ask your Alternative Contact to answer it on your behalf; or
 - b obtain the requested information by any other means that we consider reasonably necessary (with any costs incurred by us being charged to you and added to the Total Amount Owing).

7 Events of Default and our enforcement rights

- 7.1 **Events of Default:** There will be an Event of Default if any of the following things happen, whether or not it was within your control:
- a **non-payment:** you do not pay us when due all or any part of the Total Amount Owing;
 - b **mortgage:** you have granted, or purported to grant, a mortgage over the Security Property to someone else in addition to us without our prior written consent;
 - c **breach of obligations:** you have breached a material term of this Agreement or taken an action, or not taken an action or permitted something to happen that has adversely affected, or is capable or adversely affecting, the value of the Security Property or our ability to exercise our rights under this Agreement; or
 - d **fraud or untrue information:** you have acted fraudulently or given us incorrect or misleading or deceptive information in connection with this Agreement and this has caused, or partially caused, us to make the Loan or any part of it (including any amount under the Cash Reserve Facility) when we would otherwise not have done so.
- 7.2 **Notice to remedy:** If an Event of Default has happened and is capable of remedy, we will give you at least 30 days' written notice advising you of the Event of Default. The notice will specify the amount of time you have to remedy the Event of Default.
- 7.3 **Our powers if Event of Default not remedied:** If you do not, or are unable to, remedy the Event of Default within the period specified in the notice or required by Law then we may (but are not obliged to) do whatever we reasonably believe is necessary to rectify the

event that caused the Event of Default. Any costs we incur will be charged to you and added to the Total Amount Owing. We can also declare these amounts to be due and payable by giving notice to you.

7.4 **Our rights if there is a Continuing Default:** Subject to applicable Law, including our obligations to act as a responsible lender, if an Event of Default is or becomes a Continuing Default:

- a we are under no further obligation to pay any amount under the Loan;
- b we can, at any time, by notice to you, declare all or any part of the Total Amount Owing to be due and payable (and, if we give such notice, the Loan is automatically cancelled); *(This means we can tell you to pay us back any amount you owe us.)*
- c we can cancel all or any of the Loan Repayment Guarantee, the Lifetime Occupancy Guarantee, the No Negative Equity Guarantee and the application of the Equity Protection Option (if applicable);
- d the security given under the Mortgage will be immediately enforceable; *(This means that we can sell the Security Property and use the Net Sale Proceeds to pay back the Loan or appoint a receiver to do that, among other things.)*
- e we can exercise any other right given to us by Law or in this Agreement; and
- f if we reasonably consider it necessary to do so, use your name and act on your behalf in exercising any of our rights under this Agreement. However, we cannot take additional security over your assets using this right to act on your behalf.

7.5 **Exclusion of liability:** To the fullest extent permitted by Law, we will not be liable for any damage, injury or other loss or cost to any person, entity or property arising from the exercise of our rights under this Agreement (or the rights of any receiver) if an Event of Default happens.

7.6 **Obligation to co-operate:** If we do not exercise the powers described in this clause if an Event of Default happens, you must co-operate in good faith with us to identify how the Event of Default may be remedied.

8 Illegality

If, at any time, we determine that, as a result of our Regulatory Compliance obligations, we are no longer reasonably able to continue to provide or fund the Loan, or to exercise any of our rights or comply with any of our obligations under this Agreement, then:

- a we are under no further obligation to pay any amount under the Loan; and
- b we can, at any time, by notice to you, declare all or any part of the Total Amount Owing to be due and payable (and, if we give such notice, the Loan is automatically cancelled). *(This means we can tell you to pay us back any amount you owe us.)*

9 General indemnity

You fully indemnify us on demand for each amount that we confirm is required to compensate us against any loss (including loss

	of profit) or cost that we incur in connection with:	
	a anything we do in accordance with this Agreement to remedy any failure or otherwise protect the security given under this Agreement;	
	b anything else we do or do not do in exercising our rights under this Agreement or at Law;

	d any fraudulent or negligent act on your part; or

We can also declare these amounts to be due and payable by giving notice to you.
